NARRATIVE:

On the above date and time, Burlington Police Officers responded to the intersection of North Street at Lafountain Street for the report of a motor vehicle crash. Multiple callers reported that the vehicle was involved in a roll-over type crash.

Upon arrival, westbound traffic was temporarily blocked/diverted from westbound travel on North Street. The single male operator was located at the scene, and the investigation determined that no other individuals were involved in the crash, and that the sole operator of the vehicle had struck a tree causing the vehicle to roll-over. No injuries were reported at the scene of the incident.

The male operator was arrested and processed for suspicion of driving under the influence of alcohol.

Police ask that any witnesses contact Officer Kennedy at 802-540-2342.
