It is very hard to add comments to this website ! It requires a computer literacy that many of us tax paying residents of Burlington do not have. This is virtual planning, and virtual participation, not real planning and real participation. It is not even possible to reach Planning and Zoning with this message, P&D does not exist as a "category".

DO NOT REPLY DIRECTLY TO THIS MESSAGE

At their meeting of 7/13/15
the Burlington City Council voted to
waive the reading, accept this communication
and place it on file. *Send a copy to*
Attest: *Joi Olberg* ↓
City Clerk Beth Anderson for
consideration and send
a copy to Planning &
Zoning
