RE: Match Requirement - AmeriCorps Competitive Grant
Agreement #03400-13ACHVT001

On September 23, 2013, City Council approved receipt of the AmeriCorps Grant and amended the budget for the grant. This memo is to provide more detail of the match associated with this grant.

The match of \$167,695 is generated by fees from sites which host an AmeriCorps member. We request the CEDO budget be amended to reflect these revenues and costs associated with the AmeriCorps program.
