**MEMORANDUM**

---

---

**TO:** BOARD OF FINANCE  
**FROM:** AMBER THIBEAULT, DIVISION MANAGER OF REGULATORY AFFAIRS  
**SUBJECT:** COMCAST SPORTSNET AMENDMENT  
**DATE:** 12/31/13  
**CC:** STEPHEN BARRACLOUGH, GENERAL MANAGER

---

Burlington Telecom is seeking approval to execute an Amendment to our current Affiliation Agreement (“Agreement”) with Comcast SportsNet (“CSNNE”). This Amendment will extend the current term of the Agreement and enable Burlington Telecom to continue providing customers with NBA, NHL and NFL content.

Burlington Telecom currently offers the following CSNNE channels:

Channel 27: Comcast SportsNet

Channel 253: Comcast SportsNet HD

Channel 307: Comcast SportsNet Overflow – this channel is only utilized when CSNNE has overlapping games such as a Philadelphia Flyers game on at 5:00 p.m. and a Pittsburgh Penguins game that is also on at 5:00 p.m. and the network elects to cover both games in their entirety.

All of the CSNNE content is carried on the standard television package. The HD channel is available to standard television customers who pay a monthly fee for equipment to receive these channels.

Please note that there is another memorandum regarding the content of this Amendment and a copy of the Amendment that will be distributed to the Board of Finance as a confidential communication.
