Subject: **Communication on Public Investment Team – Waterfront TIF District (PIAP)**

At the January 28th City Council meeting, City Council approved the Public Investment Action Plan, a process to identify and implement public infrastructure investments, starting in the Waterfront TIF District. At that meeting we agreed to give an update on the selection of the members of the Public Investment Team. This Public Investment Team will choose finalists from the concepts currently being submitted through the Request for Concepts period of the PIAP, who will then be asked to respond to a more in-depth Request for Proposals.

We currently are building the list of candidates, but need more time to consult with City Council members before finalizing the team. The team will be announced prior to or at the March 11 Council meeting.

Please feel free to contact me directly at 802-865-7179 or nwildfire@burlingtonvt.gov if you would like to discuss the PIAP process in advance of the Council meeting, or suggest candidates for the team.

Sincerely,

Nathan Wildfire
CEDO, Assistant Director of Economic Development
