Dear Brenda,

Thank you for the information CHT has provided to the Burlington Board of Civil Authority (BCA) regarding the number of residents currently living in the Salmon Run and Millview Apartments, in relation to the BCA's review of legislative reapportionment.

At its meeting yesterday, the BCA voted to include these apartment complexes in a shared legislative district with Winooski, which requires Salmon Run and Millview to be split off from the larger Census block in which it is contained. This requires independent confirmation of population in the area that is proposed to be split off.

In light of the fact that the Census was conducted two years ago, we need to confirm the number of people living in Salmon Run and Millview in relation to that time period. We understand that these apartments were undergoing substantial renovations during that time. Accordingly, could you please confirm the number of people living in Salmon Run and Millview Apartments as of March 2010?

Please contact me with any questions.

With best regards,

Bob Kiss, Mayor
