7 RECOVERING CITY FUNDS SPENT ON BURLINGTON TELECOM IN
8 CONTRAVENTION OF CERTIFICATE OF PUBLIC GOOD

11
12 **CITY OF BURLINGTON**

13
14 In the year Two Thousand Eleven.....

15 Resolved by the City Council of the City of Burlington, as follows:

16
17 That WHEREAS, the City-owned Burlington Telecom (BT), the product of a lofty vision for
18 the City’s technological future in the digital age, has regrettably resulted in a \$50 million dollar
19 expense for construction of a network that reaches fewer than 5,000 Burlingtonians, has
20 consistently lost money since its inception, has massively overleveraged itself, and apparently
21 from the beginning in September 2005 has failed to comply with State-mandated conditions to its
22 Certificate of Public Good (CPG) which were meant to protect taxpayers from risk; and

23 WHEREAS, the injection into BT of approximately \$16.9 million dollars from the City’s
24 cash pool, and the uncertainty of that money ever being repaid by BT, has resulted in two
25 downgrades of the City of Burlington’s credit rating, with the resulting financial instability
26 directly factoring into the downgrade of the Burlington Electric Department’s credit rating and
27 the downgrade of the Burlington International Airport’s credit rating to junk bond level; and

28 WHEREAS, this Council will reserve judgment on whether BT’s mismanaged and
29 unprofessional financial practices have been properly addressed until it hears from the Kiss
30 Administration on the question later in January; and

31 WHEREAS, what does indeed continue is that Burlington taxpayers are being made to
32 pay for attorneys representing both the City before the Vermont Public Service Board and the
33 Chief Administrative Officer (CAO) before the Chittenden Superior Court in a lawsuit with

36 **Resolution Relating to** RECOVERING CITY FUNDS SPENT ON
37 BURLINGTON TELECOM IN CONTRAVENTION OF
38 CERTIFICATE OF PUBLIC GOOD
39

40 Docket No. S1588-09 CnC filed by two Burlington residents which seeks to recover funds spent
41 in violation of BT's CPG for repayment into the cash pool; and

42 WHEREAS, against this financial backdrop a municipal tax increase is currently being
43 considered for inclusion on the 2011 ballot of the Annual City Meeting; and

44 WHEREAS, one or more of the City's insurance policies may provide coverage for the
45 taxpayers' claims against the (CAO) in the event he is found liable, as shown by the fact that the
46 City's insurer is paying the CAO's legal defense costs under a "reservation of rights" clause; and

47 WHEREAS, the City has joined the CAO in opposing the plaintiffs' claims, and has used
48 City resources and employees to do so, even though a recovery would benefit the City and its
49 taxpayers; and

50 WHEREAS, the Administration has stated that the City will require any purchasers of
51 BT, or of an interest in BT, to repay the \$16.9 million over time, even though such a repayment
52 would subject the City and its taxpayers to the risk that full repayment will not be made and
53 would also deprive BT of funds to provide and make its services available to all residents, as
54 required by its CPG; and

55 WHEREAS, the immediate replacement of the \$16.9 million would greatly aid in
56 restoring financial stability to the City and perhaps obviate the need for consideration of a tax
57 increase;

58 NOW, THEREFORE, BE IT RESOLVED that the City Council directs the City Attorney
59 to cease further opposition to the plaintiffs' claims in the aforementioned lawsuit and instead to
60 join in seeking reimbursement of the City's cash pool in the amount of approximately \$16.9
61 million; and

64 **Resolution Relating to** RECOVERING CITY FUNDS SPENT ON
65 BURLINGTON TELECOM IN CONTRAVENTION OF
66 CERTIFICATE OF PUBLIC GOOD
67

68 BE IT FURTHER RESOLVED that the Burlington City Council requests that the Mayor
69 of Burlington, the Honorable Bob Kiss, file a claim with the City's insurer for all monies spent
70 by the City in contravention of BT's Certificate of Public Good and to take all further actions
71 necessary to obtain payment from the insurer; and

72 BE IT FURTHER RESOLVED that in the event the City's insurer denies coverage, the
73 City Attorney is directed to seek a declaratory judgment from the Superior Court that the insurer
74 must provide coverage for the \$16.9 million spent from the cash pool in contravention of the
75 CPG.
