

**ADVERTISEMENT FOR BIDS**

**Cherry Street Intersection Improvement Project  
Burlington, VT**

**BID OPENING.**

- A. Sealed bids for construction of improvements to the Cherry Street Intersection will be received at the office of City of Burlington, Department of Public Works at 645 Pine Street, Suite A, Burlington, VT 05401 **until 10:00 a.m. local time on March 31, 2011**. Bids received after this time will not be accepted. The City of Burlington intends to issue a Notice of Award within thirty (30) days. All Bidders will be required to be prequalified to work for the City of Burlington and VTrans and must be included on VTrans' list of Prequalified Contractors for the category of Roadway Construction prior to award of the project to the selected Bidder.

**PROJECT DESCRIPTION**

- A. OWNER: City of Burlington  
ENGINEER: Hoyle, Tanner & Associates, Inc.
- B. Project Locations: This project involves improvements to the Cherry Street Intersection with Church Street.
- C. Work: The proposed work will include excavation and trenching, backfill and compaction, structural and nonstructural fills, cutting and patching of existing paving, upgraded storm, sewer, and electrical utilities, and underground structures. The work also includes the supply and install of granite curbs, grates, foundations and masonry.
- D. The anticipated project schedule is to award by the end of April 2011 and to start construction May 2, 2011. Construction will be substantially completed by June 1, 2011 and completed by, June 15, 2011.
