REVIEW OF SCHOOL CROSSING GUARD PROGRAM

CITY OF BURLINGTON

In the year Two Thousand Eleven.....

Resolved by the City Council of the City of Burlington, as follows:

That WHEREAS, the City Council recognizes the importance of the school crossing guard program and is firmly committed to having a school crossing guard program that protects children who walk to school; and

WHEREAS, this program has been administered by the Department of Public Works; and

WHEREAS, there has been some discussion about the costs of the program at a recent meeting of the Transportation, Energy and Utilities Committee of the City Council; and

WHEREAS, there is a need to fully evaluate the costs of this program so it can be evaluated and perhaps improved upon in terms of its costs;

NOW, THEREFORE, BE IT RESOLVED that the City Council requests that the Department of Public Works present a fully itemized budget with all expenditures including, but not limited to, all crossing guards, their normal post and their annual salary, any and all benefits paid (recognizing that many of the guards are part-time and may not receive benefits normally associated with full-time city employees), all administrative costs and if those costs are fractional shares of full-time employees' hours, uniforms (how many per year and cost) and any other costs itemized; and

BE IT FURTHER RESOLVED that this budget be presented to the Council no later than the second meeting in April.
