An Ordinance in Relation to

PERSONNEL--
Livable Wages

It is hereby Ordained by the City Council of the City of Burlington, as follows:

That Chapter 21, Personnel, of the Code of Ordinances of the City of Burlington be and hereby is amended by amending Sections 21-82(b) thereof to read as follows::

Sec. 21-82. Livable wages required.

(a) As written.

(b) The amount of the livable wage established in this section shall be adjusted by the chief administrative officer of the city, as of July first of each year based upon a report of the Joint Fiscal Office of the State of Vermont that describes the basic needs budget for a single person but utilizes a model of two (2) adults residing in a two (2) bedroom living unit in an urban area with the moderate cost food plan. Should there be no such report from the joint fiscal office, the chief administrative officer shall obtain and utilize a basic needs budget that applies a similar methodology. The livable wage rates derived from utilizing a model of two (2) adults residing in a two (2) bedroom living unit in an urban area with a moderate cost food plan shall not become effective until rates meet or exceed the 2010 posted livable wage rates. Prior to the first day of May first preceding any such adjustment and prior to the first day of May of each calendar year thereafter, the chief administrative officer will provide public notice of this adjustment by publishing a notice in a newspaper of general circulation, by posting a written notice in a prominent place in City Hall, by sending
