Subject: RE: Moran IP application

Hi. Since the application is comprised of several large files with the appendices. It probably is easiest to use the link below.

Follow this link:

<http://extranet.vhb.com/client>

Username: 57372.01
Password: Moran_Center

Click on "Project File Folder" then navigate to the folder: From VHB\FINAL USACE APPLICATION

The Shoreland Encroachment Permit is in an eponymous folder.

We did leave a hard copy with Jeff Severson and I have one hard copy up here I am happy to loan someone. Will this be an agenda item for Monday's meeting? Should I have Brad Ketterling from VHB join me at the meeting? Just let me know. -kms

Did you send out the info to DEC River Management regarding Flood Hazard Areas?

Subject: Moran IP application

Hi Kirsten,

Do you have a copy of the Moran's IP application to the Army Corps? I'm sending out the Board's 8/1 packet today.

Scott
