CREATION OF DIRECTOR OF RESOURCE PLANNING AND
METER DATA COORDINATOR POSITIONS FOR THE
BURLINGTON ELECTRIC DEPARTMENT

CITY OF BURLINGTON

In the year Two Thousand Eleven.....
Resolved by the City Council of the City of Burlington, as follows:

That WHEREAS, the General Manager of the Burlington Electric Department has requested the creation of a Director of Resource Planning Position; and

WHEREAS, the position is responsible for developing and implementing BED's short and long-term energy strategy. The position will ensure the strategy complies with regulatory requirements including least cost integrated planning and is consistent with BED's short and long term goals; and

WHEREAS, the General Manager of the Burlington Electric Department has requested the creation of a Meter Data Coordinator Position; and

WHEREAS, this position will be responsible for coordinating and administering data maintained within the Meter Data Management System, and is primarily responsible for verification of customer usage data; and

WHEREAS, these requests have been approved and supported by the Human Resources Director and Finance Board;

NOW, THEREFORE, BE IT RESOLVED that the Burlington Electric Department Director of Resource Planning Position shall be created at Grade 8A (\$72,114 - \$118,472 FY11) on the Burlington Electric Salary Table and the Burlington Electric Department Meter Data Coordinator position shall be created at a Grade 3 (\$43,858 - \$70,637 FY11) on the Burlington Electric Salary Table, effective as of City Council approval.
