## Winter Parking Ban in Effect Tonight (3/14/18)

**Burlington, VT** – A winter PARKING BAN will go into effect tonight at 10pm to help city crews maintain the safest possible road conditions over the next few days of very cold weather. The ban will be in effect from 10PM-7AM throughout Burlington, except the downtown zone (midnight-6AM).

Free parking is available in the **city-owned** Marketplace Garage (47 S. Winooski: entrances on Cherry St & Bank St), College St Garage (60 College St: entrances on College St and Battery St) and Lakeview Garage (41 Cherry St: entrance on Cherry St) starting at 10pm tonight. For a map of these city-owned parking locations, please see below or go here to view ALL parking options (including privately owned): <https://parkburlington.com/downtown-parking/parking-map/>.

We ask that you not park on the top floor of any garage OR in any municipal lot (this allows plow access for snow clearing). Vehicles must be removed from city-owned garages by 8am or they will be charged the full daily rate. Any vehicles remaining on the street during the parking ban may be issued a \$125.00 parking ticket and will be towed to another location. For questions related to parking enforcement, please call the Burlington Police Department at 802-540-2380. For questions related to snow removal, please call DPW at 802-863-9094.

Bans will be declared by 3pm. Call 802-658-SNOW for future updates or look for the parking ban lights around the city. Travel safely and stay warm ... Spring is almost here!
