On 11/25/18 at approximately 0733 hours, the Burlington Police responded to an address in the "New North End" of Burlington for a report of an unlawful mischief. The complainant advised that someone had burned his "Trump" flag and left its burned remains on his porch. The flags estimated value was approximately \$10.

The Burlington Police Department identified the subjects that were responsible for the flag burning, as two juveniles who reside in the Burlington community. The Juveniles' parents assisted in the investigation and were instrumental in its resolution. The flag burning did not occur near any building or structure and there was no threat of additional collateral damage to anyone else's property. The juveniles' cases were sent to an alternative justice program for an appropriate resolution.
