

Lakeview Cemetery Map

NOTE:- Original Tracing made in 1935. This copy made from blueprint of original which has been lost from files. Changes from original in subdivisions 1, 2 and 4 have been made as shown. July 1939.

Sections III, V, 7, 7A, Muslim and New North Outline were added (see separate maps). Section VI has been designed but not yet surveyed.

Monument Section I was originally designed to fill the area now filled by Single Section 1 to the east (see separate map), which is why the lot numbering starts with Lot 514.

Lots 1-23 in Section S were never sold because a greenhouse was built in that location.
