### SEX OFFENDER RELEASE NOTIFICATION

May 29<sup>th</sup>, 2020

**GREG H. CURTIS 59yo**

Descriptors: 6'1" / 242 pounds

Grey hair/Blue eyes

On May 29<sup>th</sup>, 2020 Mr. Greg Curtis will be released from custody of the Vermont Department of Corrections and will be under the supervision of Burlington Probation and Parole. Most recently, Mr. Curtis has served a term of incarceration related to a 2019 sexual exploitation-luring a child/attempted luring conviction. This conviction comes from an undercover operation, where Mr. Curtis thought that he was going to be meeting a 14-year-old male to engage in sexual acts. At this time, it is anticipated that Mr. Curtis will be living in Burlington upon his release.

Officials with the Vermont Department of Corrections indicate Mr. Curtis is considered treatment compliant. Compared to other incarcerated offenders, offender Mr. Curtis' risk of sexual recidivism is in the high-risk category. His risk of general criminal recidivism is in the moderate category. In 1993, Mr. Curtis was convicted of Lewd and Lascivious Conduct on a 9-year-old male acquaintance. Based on his history, if he were to re-offend his most likely victims would be pubescent to prepubescent males.

If you or someone you know has been a victim of sexual assault, there is support available.
