AUTHOR:	APPROVED BY:	
Lt. Jon Young	DC Murad	
SUSPECT:	AGE:	SUSPECT ADDRESS:
Not Released		

NARRATIVE:

On September 14, 2020 at 1:42 PM, Burlington Police Officers were called to the intersection of Monroe Street at North Champlain Street for a report of a motor vehicle crash.

On arrival, officers observed a person apparently pinned partially beneath a vehicle belonging to the Special Services Transportation Agency (SSTA) and partially between the vehicle and a telephone pole. Police assisted the Burlington Fire Department with stabilizing the vehicle in question in order to extricate the victim. Preliminarily, it appears that only one vehicle was involved in the crash; no other person, other than the operator, had any apparent part in the causation of the crash. The victim was transported to the University of Vermont Medical Center, where he succumbed to his injuries. We are not yet identifying the individual, pending notifications to next of kin.

Anyone with information about this incident is asked to contact the Burlington Police Department at (802) 658-2704.

Information is preliminary and subject to change.
