Vladimir Avgoustov

71 years old

Descriptors: 5'4"/ 158 pounds

Grey hair/Blue eyes

On April 18, 2022 Mr. Avgoustov is being released from the custody of the Vermont Department of Corrections on Furlough. Mr. Avgoustov has served a term of incarceration related to a 2006 conviction involving a student at a camp where Mr. Avgoustov was a counselor. At this time, it is anticipated that Mr. Avgoustov will be living in Winooski, VT upon his release.

Officials with the Vermont Department of Corrections indicate, compared to other incarcerated offenders, Mr. Avgoustov's risk of sexual recidivism is in the moderate risk category. Based on his history, if he were to sexually re-offend his victim(s) would likely be females under the age of sixteen.

If you or someone you know has been a victim of sexual assault, there is support available. Even if the assault did not happen recently, there are resources to help you decide what is best for you, including free medical treatment, advocacy, and support. You do not have to go through this alone. There is a whole community ready to support you. For more information, call the state-wide confidential hotline, 800-489-7273, or see the website for the VT Network against Sexual and Domestic Violence, www.vtnetwork.org.

Thank you,
