Todd Gorton

**52 years old**

Descriptors: 5'10"/ 165 pounds

Brown hair/Brown eyes

On May 29, 2022 Mr. Gorton was released from the custody of the Vermont Department of Corrections (DOC). Mr. Gorton served the maximum sentence and therefore will not be on supervision with the Vermont DOC. Mr. Gorton has multiple sexual assault convictions, involving both adults and very young children. At this time, Mr. Gorton will be registered as homeless with the Vermont Sex Offender Registry (SOR). This "homeless" status requires that offenders call in daily to the Vermont SOR to update them on their location.

Officials with the Vermont Department of Corrections indicate, compared to other incarcerated offenders, Mr. Gorton's risk of sexual recidivism is in the HIGH risk category. Mr. Gorton did not complete the available sexual risk reduction programming and will be released as non-compliant for the purposes of the Vermont SOR. Based on his history, if he were to sexually re-offend, his victim(s) would likely be minor males & females and adult females.

If you or someone you know has been a victim of sexual assault, there is support available. Even if the assault did not happen recently, there are resources to help you decide what is best for you, including free medical treatment, advocacy, and support. You do not have to go through this alone. There is a whole community ready to support you. For more information, call the state-wide confidential hotline, 800-489-7273, or see the website for the VT Network against Sexual and Domestic Violence, [www.vtnetwork.org](http://www.vtnetwork.org).

Thank you,

Detective Sergeant Richard Weinisch
