

INVITATION FOR BIDS

The City of Burlington Department of Public Works (“City”) is seeking bids for street reconstruction as part of the CY’23 Paving Contract. Electronic (PDF) bids from prequalified contractors will be accepted until **1:00 pm, prevailing time on February 16, 2023** to ppeterson@burlingtonvt.gov for construction of the project hereinafter described. Bid opening will be held at the City of Burlington at 645 Pine Street, Suite A, Burlington, **in the office of the Department of Public Works and via conference call** at 1:00 pm, Wednesday, February 16, 2023. The time of receiving and opening bids may be postponed due to emergencies or unforeseen conditions. For specific meeting details contractors must contact Phillip Peterson, P.E. via email ppeterson@burlingtonvt.gov.

Electronic BIDS shall be marked: “***Bid Documents: CY-23 Paving Contract***” and bidders name.

Each BID must be accompanied by a certified check payable to the City of Burlington for five percent (5%) of the total amount of the BID. A BID bond may be used in lieu of a certified check.

This contract is subject to the Burlington Pre-Qualification of Construction Contractors, the Burlington Livable Wage Ordinance, the Burlington Union Deterrence Ordinance, and the Burlington Outsourcing Ordinance. No bid will be accepted without signed certificates of compliance with listed ordinances

LOCATION: The project streets and street segments are located throughout the City of Burlington. Mill and fill repaving, and structure adjustment will occur on Pearl Street, St Paul Street, and Walnut Street; mill and fill work may occur on Clarke Street and/or Riverside Ave as add alternates as indicated in the contract documents.

TYPE OF CONSTRUCTION: The work consists of lowering and raising catch basins, manhole structures, and water valves throughout the project streets. This contract will consist of mill and fill of the roadway; localized full depth patches; stormwater infrastructure repair and replacement on St Paul Street; adjusting driveway aprons as needed; and will also include curb and sidewalk work to ensure compliance with accessibility laws and standards.

CONTRACT START DATE: Work shall not begin prior to July 1, 2023.

CONTRACT COMPLETION DATE: The Contract shall be completed on or before **June 30, 2024**. Work continued after **June 30, 2024** shall be subject to accrued liquidated damages as set forth by the GENERAL, SPECIAL PROVISIONS, and CITY OF BURLINGTON ENGINEERING STANDARDS & SPECIFICATIONS.

COST OF PLANS: Plans and bid documents are available electronically at no cost per request to the Municipal Project Manager (MPM), Phillip Peterson P.E. by email.

Phillip Peterson P.E.
Burlington Public Works Engineer
645 Pine Street, Burlington, VT 05401
(802) 598-8356
ppeterson@burlingtonvt.gov

ENGINEERS ESTIMATE: For this Proposal the Engineers Estimate of the base bid is between \$1,300,000 and \$1,400,000.

PLANS, SPECIFICATIONS, AND BID DOCUMENTS MAY BE SEEN AT THE OFFICE OF:

1. City of Burlington, 645 Pine Street, Burlington, VT 05401
2. Works in Progress, Inc., 20 Farrell Street, South Burlington, VT 05403

NONMANDATORY PREBID CONFERENCE Call: February 7, 2023 at 11:30 AM. For specific meeting details please contact Phillip Peterson, P.E. via email ppeterson@burlingtonvt.gov

STANDARD SPECIFICATIONS: The construction work performed by the selected contractor is subject to the City of Burlington Engineering Standards & Specifications, VTRANS 2018 STANDARD SPECIFICATIONS FOR CONSTRUCTION and with current special provisions, as modified by general special provisions.

QUESTIONS, REVISIONS, & ADDENDUM: During the advertisement phase of this project, all questions shall be addressed solely to the Municipal Project Manager (MPM) in writing to the email provided below:

Phillip Peterson, P.E.
Burlington Public Works Engineer
ppeterson@burlingtonvt.gov

All questions must be submitted in writing via email before February 7, 2023 at 5:00 PM. Questions received after this time may not be answered. Any revisions, addendums and answers to questions received by the due date for questions will be sent to plan holders who received this Invitation by the City via email. In addition, revisions will be posted on the City's RFP web page <http://burlingtonvt.gov/RFP/>. It is the responsibility of the bidder to ensure that a valid email is submitted to the plan distributor, Phillip Peterson to the contact information above. It is recommended that bidders submit secondary contact information. The bidder shall acknowledge receipt of all addenda in the bid form. Failure to acknowledge the receipt of addenda will result in disqualification of the bid.

PREQUALIFICATION OF CONTRACTORS: All bidders on this project shall be prequalified by the Vermont Agency of Transportation (VTrans) and City of Burlington.

For City of Burlington prequalification shall be submitted by interested Bidders a **minimum of 5 days before** the Bid Due Date unless they are already qualified with the City of Burlington under

a prior project. A Prequalification Application is included with the Bid Documents. Please contact the project manager for questions.

For VTrans qualification questions please contact Contract Administration prior to the bid opening. For information contact Jon Winter at 802-828-2643.
