PUBLIC SAFETY ROLES UNIQUE TO BPD

As part of Chief Murad's 2021 Public Safety Continuity Plan, we have hired:

Community Service Officers (CSOs),

These are unarmed, unsworn officers who answer quality-of-life calls for service. BPD currently has six employees in the role, and the budget allots us 11 CSOs and one CSM (or Community Service Manager). The role is also a stepping stone to becoming a police officer.

BPD currently has 6 CSOs and 5 CSLs

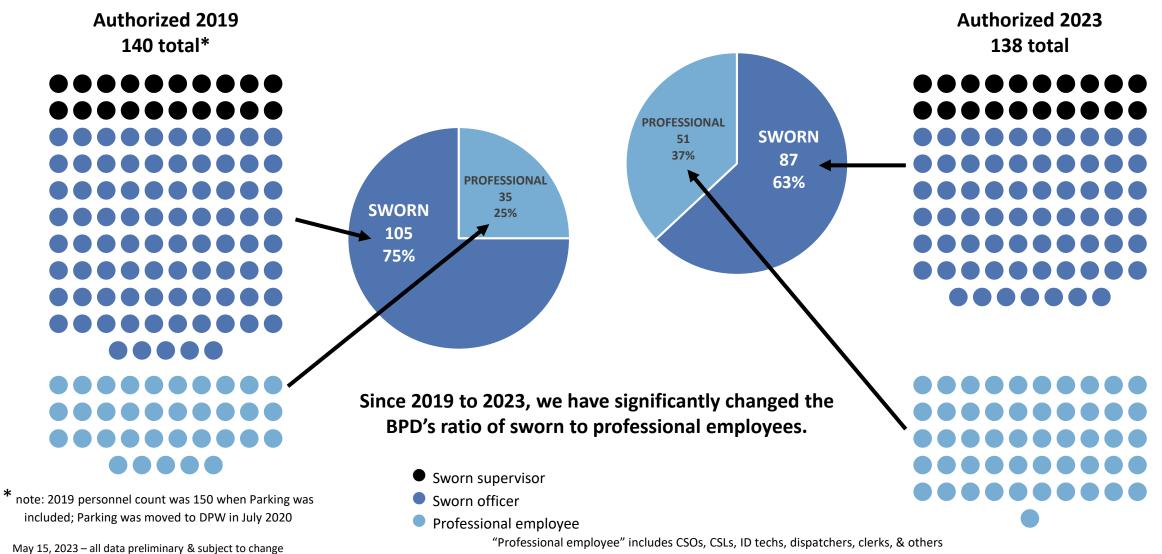

As part of the Public Safety Continuity Plan, we also hired:

Community Support Liaisons (CSLs)

Chief Murad created these positions: embedded social workers with expertise in mental health, substance use disorder, and houselessness. BPD currently has five employees in the role, and the budget allots us six CSLs and one CSS (or Community Support Supervisor).

CHANGING PROPORTIONS IN THE BPD

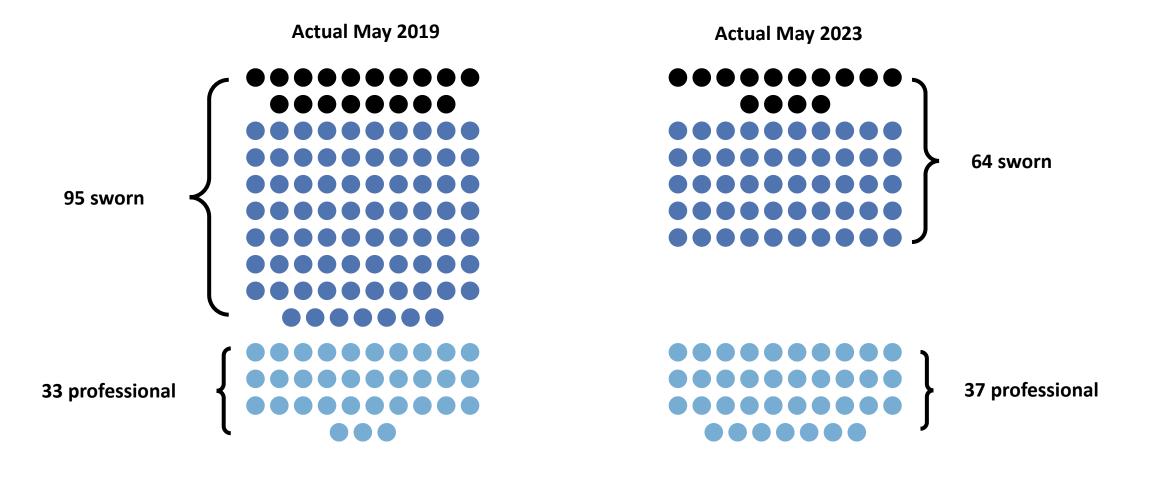

BPD CURRENT PERSONNEL COUNT

- Sworn supervisor
- Sworn officer
- Professional employee

"Professional employee" includes CSOs, CSLs, ID techs, dispatchers, clerks, & others

SWEARING-IN CEREMONY

On February 2, 2023, we conducted a swearing-in ceremony for 16 new employees. The Mayor was in attendance and the event was <u>covered by Town Meeting TV and can be seen on YouTube</u>. These employees had been hired between October and January. The ceremony also recognized three officers who had returned to BPD (not shown). We also added six new sworn probationary police officers (shown at right, left to right):

At the same ceremony, we also added nine professional employees (at left, left to right), in positions like Emergency Communications Specialist (dispatcher), Community Support Liaison (CSL), Redaction Specialist, and Community Service Officer (CSO)

RECRUIT & RETAIN

PATTERNS SINCE 2010

RETENTION: Over the past thirteen years, the aggregate retention percentage is 40%.

RECRUITS: In the ten years from 2010 to 2019,* the BPD averaged 4.15 recruits per class at the Vermont Police Academy. The BPD has retained ≈ 34% of those.

LATERALS: In those same years, the BPD averaged 1.7 laterals per year. The BPD has retained $\approx 56\%$ of those.

In January 2023, a Police Executive Research Forum (PERF) survey of 182 agencies reported that, on average, sworn staffing decreased by 4.8% from January 2020 to January 2022, and then decreased another 0.9% from January 2022 to January 2023. Additionally, there were 47% more resignations and 19% more retirements in 2022 than in 2019. Agencies also reported improved hiring, however: up 35% from 2020 to 2022.

*This does not count 2020 through 2022, when the BPD's hiring was limited by the City Council resolution.

OUR REBUILDING GOAL

THE CHALLENGE

As of May 01 2023, the BPD has 64 sworn officers. The City Council has authorized 87.

Can the BPD grow by 23 officers—i.e., by 36%—over the next few years?

THE GOAL

AMBITIOUS BUT ACHIEVABLE.

With 64 officers on May 01 2023, and assuming going forward with a 50% increase in average VPA class size (to 6.3 recruits per class), a 100% increase in lateral hires (to 3.4 per year), and a 50% improvement in retention rates (to 60%)...

BPD can achieve 85 officers by FY 2026

PART THREE: NEW SERVICES

C.A.I.P.

CRISIS ADVOCACY INTERVENTION PROGRAMS

CAIP is "lower barrier" assistance that supplements the social service system. That system's structure has gaps in service, often because of population-specific and program-specific requirements from grants and funding. CAIP is trying to fill gaps, while working collaboratively with community partners. These services are non-duplicative in nature and consistently evolving.

Through CAIP, the City can take the lead in the effort to address needs when community social service systems in the community cannot. CAIP's collaborative model allows for seamless continuity of care and jumpstarts a public safety transformation because it integrates change directly into the largest public safety component: the police department.

*Burlington CARES is the Crisis Assessment, Response, and Engagement Service; specifics about it are in development
