

On Sunday, May 28, the BPD helped RunVermont and its sponsors with a tremendously successful Vermont City Marathon. Since 1989, the annual marathon has been one of the biggest events we handle each year (along with July 3rd, the Church Street Holiday Tree Lighting, and New Year's Eve).

Two BPD motorcycle officers led the runners, and we had officers and other employees like CSOs and CSLs at traffic posts all over town, as well as patrolling on the waterfront. We were also grateful for assistance from partners like the Vermont State Police, UVM PD, South Burlington PD, Shelburne PD, and Fish & Wildlife.

#### **CHIEF MURAD'S CONFIRMATION**

To the people of the Burlington Police Department,

Last night was a good night. In a strong, two-thirds majority, the City Council voted to accept the Mayor's appointment for Chief of Police. I'm honored by the Mayor's confidence and my fellow department heads, who stayed for the vote even after their own well-deserved reappointments were done. I'm gratified by the Council vote, and I deeply respect the service of the eight councilors who voted aye and of the four who didn't. And I'm humbled by all the encouragement I've received from neighbors and Burlington stakeholders, last night and over the past three years. But I'm also affected by the criticism that some speakers and councilors leveled, and I'm going to give real thought to what and how I can do better.

Other than my family's support, however, it's yours that matters most. For all of us, the past three years have been hard. There's still hard road ahead. But I try to keep things in perspective—what are we working towards? Why do we do what we do? You've all heard my formulation: "Police exist to keep people safe, by preventing or responding to crime and disorder, with and for our neighbors." We help people.

For me, when I do the math, the value continues to outweigh the cost. The fact that none of us is alone helps that calculation. We have faced this together for three years; we're facing it together today; and I know I'll be here tomorrow. I hope you will be here, too. And I promise that we will have more people beside us—the four new officers who just graduated the Academy, new professional staff, new CSOs and CSLs, new cops for the Academy in August. What's more, last night's vote is another piece of proof that "together" isn't just the people inside this department—it's the people in the city we serve, too. They are in your corner, as you're in theirs.

Burlington needs you. It needs your compassion and bravery and hard work. I know you can deliver, and I promise to be there for you in return.

Be safe,

**Chief of Police Jon Murad** Burlington Police Department

June 22, 2023 – all data preliminary & subject to change

On May 25, Mayor Weinberger announced his intention to appoint acting Chief Jon Murad to the permanent position. He was joined on the steps of City Hall by a host of community members and stakeholders. Chief Murad had been the acting chief since Interim Chief Jennifer Morrison's departure on June 11, 2020, three years earlier.

At the City Council meeting on June 5, Chief Murad was confirmed by an 8-4 vote. The following day he shared this message with the department:

#### **ACADEMY GRADUATION**

On June 2, four BPD police recruits graduated from the Vermont Police Academy. It was a well-deserved day of pride and congratulations.

Recruit Kim Lockerby was selected by his classmates to deliver the graduation speech. Recruits Dominic Tenan and Logan Parette began their tenure with us as Community Service Officers (CSOs) before transitioning to become police. And Recruit Bibek Gurung started with the Beach & Parks Patrol after graduating from Burlington High School. Fast forward through his years at Champlain College and he's now a BPD officer.

All four have now begun our fourteen-week field training officer (FTO) program.

#### PUBLIC SAFETY ROLES UNIQUE TO BPD

As part of the 2021 Public Safety Continuity Plan, we have hired:

• Community Service Officers (CSOs),

These are unarmed, unsworn officers who answer quality-of-life calls for service. BPD currently has six employees in the role, and **the budget allots us 11 CSOs and one CSM** (or Community Service Manager). The role is also a stepping stone to becoming a police officer.

### BPD currently has 6 CSOs and 5 CSLs

As part of the Public Safety Continuity Plan, we also hired:

• Community Support Liaisons (CSLs)

These are embedded social workers with expertise in mental health, substance use disorder, and houselessness. BPD currently has five employees in the role, and **the budget allots us six CSLs and one CSS** (or Community Support Supervisor). The CSLs are part of the CAIP team: Crisis Assessment Intervention Programs. Our therapy dog, Rocky, is part of the CAIP team, too.

#### **NEW VIDEOS ONLINE**

Following the success of our video about the Community Support Liaisons, the BPD digital media team released a new video about the BPD's Emergency Response Unit, or ERU. Both can be found on our YouTube channel. "The [ERU] training primarily revolves around and prioritizes safe and effective tactics that allow us to deescalate tense and evolving incidents while focusing on communication and the sanctity of human life." – Lieutenant Michael Beliveau

#### **REVISED PRIORITY RESPONSE PLAN**

We originally implemented <u>the Priority</u> <u>Response Plan</u> in May 2021. We have made several revisions, shown in this chart. The categorization of incidents has **not** changed. (Our primary goal remains **NEIGHBORS' PHYSICAL SAFETY**, so Priority 1 incidents are still Priority 1 incidents, etc.) But many Priority 3 incidents will now receive a different response.

In the chart, **incidents labeled "CSO"** will initially receive a response from a CSO, rather than a police officer, unless the incident evolves in a way that changes its category or requires a sworn officer.

Incidents labeled "ONL" (for "Online Only") will be diverted to an online reporting function. Unless extenuating circumstances apply, callers will be asked to make an online report. There are reporting mechanisms for callers who do not have Internet access.

Additionally, during daytime weekday hours when DSB detectives are available, **DSB will** handle untimely deaths.
