I. Review & Discuss Updated Draft Use-of-Force Directives

Commissioner Hughes expresses his observations and provides recommendations for discussion on the policy before he has to excuse himself from the meeting due to other obligations.

DD 05.02 Section II (G)(3) : Commissioner Hughes finds this paragraph problematic in its definition; in that the words "serious bodily harm" are not measureable or defined.

DD 05.02 Section V : Commissioner Hughes finds this section to be problematic and objects to this entire section .

DD 05.02 Appendix 01: LLIMs Section I (B) : Commissioner Hughes would like "appropriate circumstances" defined.

DD 05.02 Appendix 01: LLIMs Section II (D) : Commissioner Hughes does not feel any modifications are necessary.

DD 05.02 Appendix 01: LLIMs Section V (A) & (B) : Commissioner Hughes finds issue with these two items and feels there is no reason officers need to use personally-owned weapons, much less AR-15's.

DD 05.03 Section II (E) : Commissioner Hughes requested clarification on the reference to “animal”

DD 05.03 Section VII : Commissioner Hughes requested the Commission be provided Use-of-Force Reports twice a year.

Commission collectively agrees to go page by page through the directives.

DD 05.01 Section III

Consult with Legal Counsel and BPOA contract to discuss verbiage being added that states that while *Graham* is the legal standards, BPD may go beyond the *Graham* standards for determining discipline measures within the Department. Suggested language: *Graham* may not be met for criminal sanctions but still can result in discipline or termination from this Dept. *Graham* is not the measure of internal discipline and the BPD will go beyond *Graham* for discipline measures. Action may be adjudicated by the courts as meeting the Reasonable Officer Standard, but it does not meet our standard, and therefore discipline may be imposed accordingly.

Change or remove the word “aspires”

Change first sentence in second paragraph to include “subjects”

At the end of the last paragraph, insert “property” statement from June 3rd draft.

DD 05.01 Section III (A)

Change the last sentence to read “Officers should not escalate situations unnecessarily” and/or insert the “Reasonable Person” clause back in.

DD 05.01 Section III (C)

Delete the following phrase: “, and officers should always seek to minimize the necessity of responding with force.”

DD 05.01 Section IV (C) (1)

Change the word “should” to “will”

DD 05.02 Section III (A)

Change the word “should” to “will”

DD 05.02 Section IV (C)

Change the word “crowd-control” to “riot-control” or “civil disturbance”

DD 05.02 Section IV (C) (1)

Define “passive resistance”

DD 05.02 Appendix 01: LLIMs Section I (B)

In the last sentence, change “crowd control” to “civil disturbance”

DD 05.03 Section VII

Discussion point – Commission would like to be made aware of Use-of-Force incidents and be provided a report. This language might belong in the Role of the Police Commission Document. Look at where to insert.

DD 05.03 Section VII

Move this section to DD 05.02

DD 05.04

No changes

General discussion point on adding reference to Officer K9's use and use-of-force specific to Department K9's.

Commissioner Herjok requested DC Murad send him what Dr. Rogers wrote pertaining to DD 05.02 Section (V) – Excited Delirium
