RE: Ice Cream Window Event Sound Waiver for May 30th, 2021

Request for waiver at Battery Park to allow amplified sound for a live music performance.

Ice Cream Window and the Dynamic Flavors is band that is celebrating the release of their new album with a performance. They will be performing songs from it and many of their other hits. They have been working on this album for 2 years and will be playing their final show together. They are requesting to have amplified sound during their event and have already booked the park.

Staff contact for the event is Julian Foster.

The amplified sound will take place between 6pm and 8pm. They are expecting around 100 people to attend. They have a COVID-19 mitigation plan in place.

It is on a day with no conflicting events.

Staff Recommendations:

Allow waiver for amplified sound.
