MEMO: SUPPORT FOR BIKE LANES ON COLCHESTER AVE AND FLYNN AVE

Date: May 15th, 2019

To: Public Works Commission Members; Chapin Spencer, DPW Director;
Nicole Losch, DPW Senior Transportation Planner

FROM: Allegra Williams, Local Motion Livable Streets Manager

Local Motion would like to formally submit, for the public record, the results of our advocacy efforts to create safer biking infrastructure along major bicycle commuter corridors, Colchester Ave (www.localmotion.org/goal_safer_colchester_ave) and Flynn Ave (www.localmotion.org/goal_add_bike_lanes_for_a_safer_flynn_ave).

Specifically, we are asking that the city and the Public Works Commission commit to fully implementing *PlanBTV Walk Bike* by striping bike lanes on both sides of Flynn Ave between the Coop and Shelburne Road, and on both sides of Colchester Ave between the Winooski Bridge and East Ave.

The results of our public outreach indicate that there is a strong interest in making both of these routes safer, not only among those living within Burlington, but also regionally. As of this afternoon, we have collected **177 online petition signatures in favor of making the stated improvements on Colchester Ave, and 75 signatures for making the changes on Flynn Ave.** Attached to this memo are lists of those who have signed on in support of these proposals, and accompanying maps displaying where supporters live.

Thank you for your attention to these issues and your commitment to making our streets safer for everyone. I am happy to speak further or answer any questions you may have.

Sincerely,

Allegra Williams
Livable Streets Manager
Local Motion
