

## PACC Current Mission Statement

It is the mission of the Parks, Arts and Culture Committee to be the Council conduit for waterfront issues and operations, acting as the Council oversight of Parks and Recreation, Burlington City Arts and other arts and entertainment issues, as well as acting as an oversight to the Library. The PAC Committee will work in collaboration with the Library Commission, Parks and Recreation Commission, Community and Economic Development office, the Burlington City Arts board as well as all private and not-for-profit parks, arts and cultural resources to receive updates on pertinent concerns acting as a liaison to the City Council on recreational, art and culture events, issues, needs and goals.”

## Suggested Mission Statement – Councilor Barlow

The mission of the PACC is City Council to act as liaison to BPRW, BCA, and Library departments. The Committee will work in collaboration with the BPRW, Cemetery and Library Commissions as well as CEDO and the BPF, and BCA Board, and other not-for-profit parks, arts and cultural resources on recreational, art, and cultural events, issues, needs, and goals.

## UPDATED DRAFT from 9/28/2022 meeting:

The mission of the Parks, Arts, and Culture Committee is to act as liaison to Burlington, Parks, Recreation, and Waterfront, Burlington City Arts, and Library departments; as well as other city departments when acting in advance of presenting arts and cultural issues to the City Council. The Committee will work in collaboration with Burlington Parks, Cemetery, and Library Commissions as well as Community Economic Development Office, the Burlington Parks Foundation, and Burlington City Arts Board, and other parks, arts and cultural organizations for recreational, art, and cultural events, issues, needs, and goals.
