

Celebrate Schmanska!

Saturday, October 13, 1-3pm

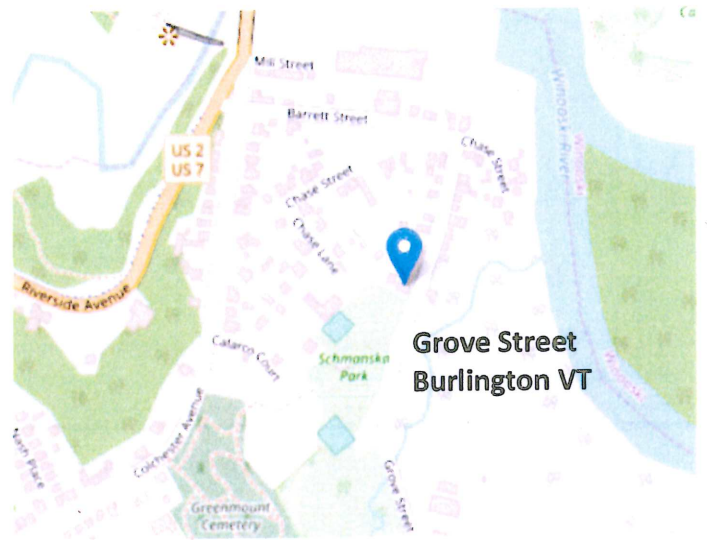

Old East Enders and fans of Schmanska, join us to celebrate all the completed work in the park!

There will be lawn games, free snacks, demonstrations and workshops of takraw (cane ball) and pickleball. We will also have tours of the Barn!

Check out the newly reconstructed courts (tennis/pickleball, cane ball and basketball), added stormwater infrastructure, new signage, pathways, timber retaining wall and improved landscaping.

This neighborhood park project was funded by Penny for Parks and the City of Burlington Sustainable Infrastructure Bond
