

Email received 4.9.2021

Hi Mary,

I see that 8 Browns Court is finally getting its chance at the DRB.

Caleb and I worked with Champlain College to ensure they had use of the green space within the ROW in front of that parcel. Let us know if you need anything, but in short DPW is supportive of their requested use, and it already has City Council approval.

Thanks,

Laura K. Wheelock P.E.
