Re: Request Deferral

Project: 110 Riverside Ave Apartments

Project Location: 110 Riverside Ave

Dear Scott:

I want to inform you that Sisters & Brothers Investment Group want a request to deferral the DRB hearing to a future date. The reasoning for the deferral is that Civil Engineer is trying to negotiate with the City for the stormwater in the ROW and owner is having a difficult time contacting landowners for the easements due to Covid-19 .

Sincerely,
