Re: Case # 20-0350AP, Motion # 2) Request the Burlington Development Review Board correct it's November 6<sup>th</sup> public hearing notice.

Dear Alison,

The November 6<sup>th</sup>, 2019 public hearing notice you emailed me says, "Appeal of Nov 372003; Occupying structure with more than 4 unrelated adults in a Residential-Medium Density zone, inconsistent with the Family Definition of the Comprehensive Development Ordinance Article 13 (Project Manager: Ted Miles).

Appellant requests that the Burlington Development Review Board correct it's November 6<sup>th</sup>, public hearing notice to read, "Appeal of Nov 372003; Occupying building with more than 4 unrelated adults in a Residential-Medium Density zone, inconsistent with the Family Definition of the Comprehensive Development Ordinance Article 13 (Project Manager: Ted Miles)."

Sincerely,
