FEATURES & SPECIFICATIONS

INTENDED USE — Recessed housing rated IC or Non-IC. For new construction only.
Approved for all ceiling and wiring types.
Approved for direct burial in insulation.

CONSTRUCTION — Air-tight standard. Tested to meet current energy codes.
Aluminum formed-gasketed housing with galvanized steel pan.
Galvanized bar hangers span up to 24° c.c. and feature stepped shank nail and positioning guide with integral T-bar locks. Two locking screws hold fixture in position.
Galvanized steel junction box with four built-in Romex clamps. Four 1/2" and two 3/4" knockouts with slots for pullout. Rated for through branch wiring.
Maximum 4 (2 in, 2 out) No. 12 AWG conductors. Rated for 90°C.
Ground wire provided.
Removable 1-box doors for easy access.

ELECTRICAL — Quick disconnect provided for power connection to the LED modules.
Paint overspray marked by disposable disconnect plug.
Housing and LED module combination is IC-rated and thermally protected.
120 volt only.

INSTALLATION — Air-tight housing suitable for air-tight installations. Refer to energy codes for proper installations.
2x2 and 2x6 wood joist or T-bar installation.
Expandable bar hangers allow for off-center mounting in wood joist or T-bar ceilings. Length of 25 1/2" maximum 12 1/16" minimum or cut to fit 5 1/2" on center pin construction.
Vertical adjustment of housing allows for flush mounting with ceiling face.
Suitable for ceilings up to 5 1/2" thick.

LISTINGS — UL Listed to US and Canadian safety standards. Damp location listing (See trim selection for wet location listing).

WARRANTY — 3-year limited warranty. Complete warranty terms located at www.man effectred.com/CustomerResources/Terms_and_conditions.aspx

Note: Actual performance may differ as a result of end-user environment and application. Specifications subject to change without notice.

TruDefinition™ Duration® Shingles are specially formulated to provide greater contrast and dimension to any roof. Through the use of multiple granule colors and shadowing, TruDefinition Duration Shingles offer a truly unique and dramatic effect. This exclusive combination of color and depth is what makes TruDefinition Duration Shingles like no other.

TruDefinition Duration Shingles are available in popular colors with bold, lively contrast and complementing shadow lines for greater dimension. They feature a Limited Lifetime Warranty,’† 130-MPH Wind Resistance Limited Warranty’ and an Algae Resistance Limited Warranty.’ Beyond the outstanding curb appeal and impressive warranty coverage, they also come with the advanced performance of patented SureNail® Technology.

The SureNail® Difference—A technological breakthrough in roofing. The innovative features of Owens Corning™ TruDefinition Duration Shingles with patented SureNail Technology offer the following:

Breakthrough Design. Featuring a tough, woven engineered reinforcing fabric to deliver consistent fastening during installation.

Triple Layer Protection™ A unique "triple layer" of reinforcement occurs when the fabric overlays the common bond of the shingle laminate layers that offers excellent fastener holding power.

Superior Adhesion. Our enhanced Tru-Bond®® sealant grips tightly to the engineered fabric nailing strip on the shingle below.

Excellent Adhesive Power. Specially formulated, wide adhesive bands help keep shingle layers laminated together.

Exceptional Wind Resistance. The industry's first asphalt roofing shingle engineered to deliver 130-MPH wind warranty performance with only 4 nails. 33% fewer nails are required for maximum warranty protection which can mean fewer deck penetrations.

SureNail® Reinforcing Woven Fabric Nailing Area

Enhanced Tru-Bond®® Sealant

Excellent Adhesive Power

Triple Layer Protection™††
Features of the Ultimate Double Hung G2 Window

- Available in heights up to 10.5 feet or widths up to 5.5 feet
- Marvin's exclusive auto-lock activates when sashes are closed for convenient security
- Unique wash mode allows cleaning of both sides of glass from indoors
- Narrow checkrail maximizes view, while maintaining historical accuracy
- Retractable screen option is nearly invisible when the screen is not in use
- Available with the same features in a single hung style, with optional Lift Lock
- Additional configurations include round top, stationary transom or picture window
- Hidden Lock Status Sensor option connects with your smart home to indicate when windows are closed and locked
- Available with IZ3 coastal/hurricane certification
- Available with Commercial Windows Performance certification
- CE certified
