MEMORANDUM

Date: June 19, 2020
To: Public Works Commission
From: Laura Wheelock P.E., Senior Public Works Engineer
CC: Madeline Suender, Associate Public Works Engineer
James Sherrard, Stormwater Program Coordinator

Subject: Lake Street – Pedestrian, Streetscape, and Stormwater Feasibility Study

The Department of Public Works (DPW) in anticipation of needed paving work on Lake Street solicited assistance of the Chittenden Regional Planning Commission through their Unified Work program for assistance in reviewing pedestrian and drainage concerns along Lake Street. The draft of the Feasibility Study and concepts for enhancements along Lake Street are included in the draft and will be included in a short presentation to the members of the Transportation, Energy, and Utility Committee (TEUC) for their review and comments.

The alternatives reviewed do not require action by the at this time, this is being provided for informational purposes.
