Dear Barry,

The City of Burlington Cemetery Commissioners express their sincere appreciation for your volunteer services to the commission.

Your diligent research work has been extremely beneficial to the citizens of our beautiful city as well as to the Cemetery Commission. Your ability to know the right questions to ask and getting the questions answered has been so helpful as we commissioners strive to learn the full scope of our responsibilities to Burlington's three cemeteries.

Please keep us informed of the progress of your work at Greenmount. What you have undertaken is extremely important and we want to support you as you carry out the responsibilities of the grant received from the VOCA.

Respectfully submitted,
