

Wards 2 & 3 NPA

New CarShare Pod in the ONE

March 14, 2019

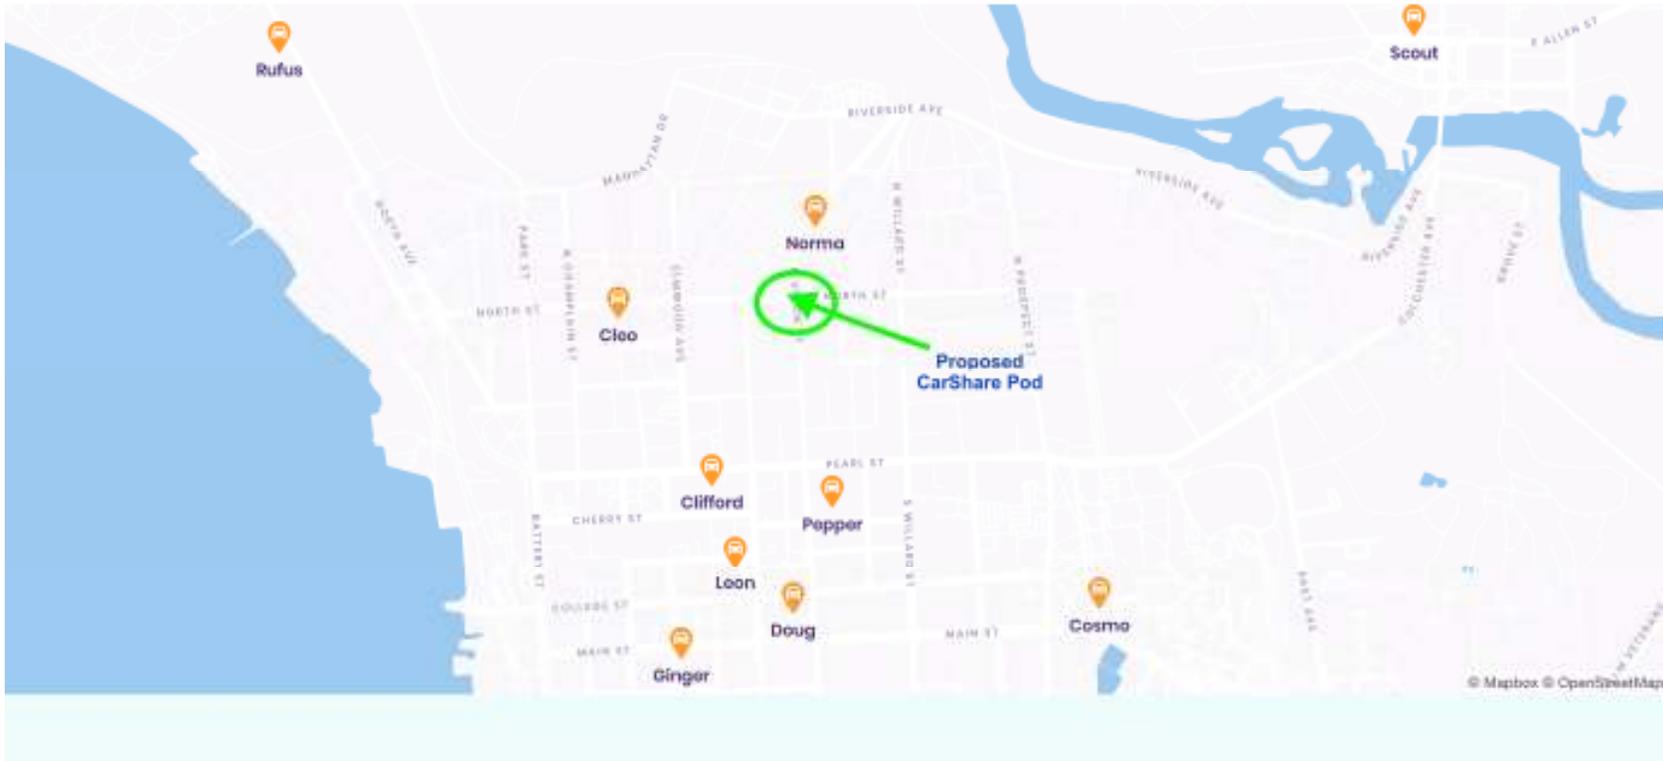

Background

- Since 2008, nonprofit CarShare Vermont has operated a carsharing service in Burlington and Winooski that has allowed hundreds of households to own fewer vehicles and reduce the amount they drive.
- CarShare Vermont members reduce the amount they drive by over one million miles annually; as such they reduce their emissions by nearly one million pounds.
- 65% of CarShare Vermont members report shedding a vehicle or opting not to purchase/replace a vehicle after joining.
- For every vehicle CarShare Vermont puts in service, 15 are removed from the road.
- CarShare Vermont reduces congestion and eases parking demand.
- CarShare Vermont members save over \$800,000 annually.
