Department of Permitting and Inspections
645 Pine Street
Burlington, VT 05401-8451

Burlington Technical Center (BTC) due to a facilities issue is unable to use our classrooms, shops, educational spaces and building. Because of the chemicals in the air and COVID-19 BTC has been forced to find alternative locations for our programs. Our Hybrid school model due to COVID has students split into 4 groups. Monday & Thursday AM, Monday & Thursday PM, Tuesday & Friday AM and Tuesday & Friday PM

BTC programs are looking to use these spaces as our classrooms. We have chosen these locations because of their proximity to BTC as our school serves 13 different High Schools from the region. Students are bussed to BTC and we need the locations to be close by. We chose the locations because of their size and ability to serve our educational purposes. Each location has days of the week for use, number of students each AM and PM, and each location will be visited by a BTC staff member to drop off mail and any educational supplies daily for 10-15 minutes.
