Subject: "THE FUND"
To: Dan Cahill <DCahill@burlingtonvt.gov>

Hi, Do a pilot for a year or two to see demand and use of this new category. 30% Stewardship, 45% Acquisitions and 25% New Uses. To me a new fund needs to begin modestly and if successful can grow.
Please consider this option and pass it on to all Conservation Members and the appropriate admin people. Thank you Dan, as always, for listening and being inclusive with public input.
