

Hello from CarShare Vermont!

Won't you be our neighbor?

We're a Burlington-based nonprofit on a mission to help more Vermonters get around with fewer cars. For the past 10 years, we've worked hard to provide a convenient, reliable, and affordable alternative to car ownership that helps people drive a lot less, save money, and become more invested in our local community. To continue to advance our nonprofit mission, and better serve our growing membership (1,000+ households and counting!), we're looking to add a vehicle to the neighborhood.

Specifically, we're requesting an on-street parking spot on North Street near the intersection of North Union Street as indicated below:

Please be in touch if you have any questions or if you'd like to lend your support! You can email us at info@carsharevt.org, call (802) 861-2340, or visit carsharevt.org to learn more about our mission-driven work.

Thank you!

As a resident of the Old North End, I support CarShare Vermont's request for an on-street parking space on North Street near the intersection of North Union.
