Zoning Application Denial – Reasons for Denial

ZP #: 21-275                                Tax ID: 045-1-091-000

Issue Date: May 6, 2021                        Decision: Denied

Property Address: 164 North Willard Street

City of Burlington, Vermont
645 Pine Street

Description: Install fence and related gates.

Reasons for Denial:

1. Per Sec. 2.7.8, Withhold Permit, of the Comprehensive Development Ordinance, existence of a continuing zoning violation on the property precludes approval of this zoning application. Specifically, the gravel parking area to the south of the paved driveway was found to be an enforceable zoning violation by the Development Review Board and in related court decisions relative to 15-0797AP and 19-0474DT. Lacking remedy of this continuing zoning violation, the application cannot be approved.
**Zoning Permit Application**

Use this form for ALL zoning permit applications. See the relevant checklist for specific requirements.

- **Does your project involve new construction, addition, alteration, renovation, or repair to a structure that is heated or cooled?**
  - Yes ☐ No ☐
  - *(If yes, the Vermont Residential Building Energy Standards (VRBES) apply. Visit the P&Z Office, Public Service Board or PSB website for details)*

- **Will 400 sq ft or more of land be disturbed, exposed and/or developed?**
  - Yes ☐ No ☐
  - *(If yes, you will need to submit the ‘Erosion Prevention and Sediment Control Plan’ questionnaire, with a site plan)*

- **For Single Family & Duplex, will total impervious area be 2500 sq ft or more?**
  - Yes ☐ No ☐
  - *(If yes, you will need to submit the ‘Stormwater Management Plan’ questionnaire, with a site plan)*

- **Are you proposing any work within or above the public right of way?**
  - Yes ☐ No ☐
  - *(If yes, you will need to receive prior approval from the Department of Public Works)*

**Estimated Construction Cost (value)*:** $1500

*(Estimated cost a typical contractor would charge for all materials and labor, regardless of who physically completes the work)*

Within 30 days of submission, the permit application will be reviewed for completeness, and, if complete, will be processed administratively or referred to a board for review. All permit approvals or denials are subject to an appeal period (15 days for administrative permit; 30 days for board permit). A building (and/or electrical, mechanical, plumbing, curb cut) permit will also be required. Contact the Department of Public Works at 802-863-9094 to inquire. Please ask for assistance if you have any questions about filling out this form. Call the Planning and Zoning at 802-865-7188, or visit the office in the lower level of City Hall, 149 Church Street.

April 2014
164 North Willard St. - Proposed Fence Project
Site Plan

Adjacent Property - 172 North Willard

164 North Willard St. Burlington VT 05401

Prepared By: Luke Purvis
On: 2/28/2021

Scale: 1cm = \(\frac{3}{4}\) ft

3/7/2021 – 164 North Willard - Fence Plan – No changes to existing uses, structures, boundaries proposed.
3/7/2021 - 164 North Willard St. - Fence Plan - No changes to existing use, structures, boundaries proposed.

- Gate to cross driveway
- Concrete footings
- 1x3 and 1x6 eastern white cedar for horizontals
- 4"x4" pressure treated posts

Install perpendicular fence spur from the 158 North Willard border with horizontal cedar planks, 6' tall, with driveway gate at the easterly line of the main 164 North Willard house to complete a fenced enclosure for 164 North Willard back yard.

- Concrete gravel footings
- 1x3 and 1x6 eastern white cedar for horizontals
- 4"x4" pressure treated posts, cedar cap

The house on private entrance and exiting back doors.

The fence will have 8' height where it meets Dan's Ct. and taper down to 4' height for most of the run and then increase up to 8' at the house.

Install horizontal cedar fence along the current fence line between 164 and 172 North Willard St. This fence will be good both sides.

- Gate - to the south of the barn
- Concrete footings
- 1x3, 1x6 eastern white cedar for horizontals
- 6"x6" and 4"x6" pressure treated posts

To Dan's Ct.

The fence panel will begin at the curb height of Dan's Ct. There will be a gate on the south side of the barn to allow continued access.

Install an 8' foot tall horizontal cedar fence on the eastern boundary along Dan's Ct. The bottom of the fence.

Installation Plan and Materials

164 North Willard St. - Proposed Fence Project
164 North Willard St. - Proposed Fence Project

Materials and Style Representation

The fence shall be constructed of pressure treated posts and eastern white cedar boards with a gap for airflow and focus on privacy. This picture was chosen to show how the fence would taper from full height for privacy on Dan's Ct, to a shorter height for most of the run along the boundary to 172 North Willard.

3/7/2021 – 164 North Willard - Fence Plan – No changes to existing uses, structures, boundaries proposed.
164 North Willard St. - Proposed Fence Project

Current View / Proposed View of Dans Ct. – North Side

This is a likeness of the fence to show the privacy from the adjacent parking area gained.

3/7/2021 – 164 North Willard - Fence Plan – No changes to existing uses, structures, boundaries proposed.
164 North Willard St. - Proposed Fence Project

Current Views of Proposed Fence Lines

Along the 172 North Willard (Northern) boundary, the fence will follow the line of the current metal fence and be good both sides.

Along the Dan’s court boundary, the fence will be placed close to the wall boundary to replace a fence that had been built into the top of the curb of the Dan’s Court Retaining wall that had gotten into disrepair and was recently removed. This configuration will continue to allow access behind the barn to 164 North Willard Owners for maintenance.

3/7/2021 – 164 North Willard - Fence Plan – No changes to existing uses, structures, boundaries proposed.
164 North Willard St. - Proposed Fence Project
Current Views of Proposed Fence Lines

The barn along the easterly boundary and the Dans Ct. boundary wall to the south of the barn.

This is where the fence spur for the driveway gate will go

3/7/2021 – 164 North Willard - Fence Plan – No changes to existing uses, structures, boundaries proposed.
Good morning Luke,

I’ve reviewed your zoning application for a fence at 164 North Willard Street. The proposed fence looks as though it could be permitted. There are a couple of items that need to be addressed.

- The unpermitted “south” parking space remains in place and in use. Sec. 2.7.8, Withhold Permit, of the Comprehensive Development Ordinance precludes issuance of a zoning for properties that have ongoing violations – unless the permit is to remedy the violation. Such is not the case here.
- The site plan notes a few “nonconformities” that are not legitimately nonconforming. The site plan cannot be approved.

A fence application may be approvable if the parking violation is remedied and is reflected on the application site plan. The application as presently submitted cannot be approved. You may choose to keep your application as is or revise it to be acceptable. A denial can, of course, be appealed to the Development Review Board. A revised, acceptable application could be approved within a matter of days. Please let me know by April 1, 2021 how you’d like to proceed.

Scott
