RE: Solar Bus Special Use Permit for September 22nd, 2021

Request for a Special Use Permit at City Hall Park to hold a fundraising event and for a waiver to allow amplified sound.

The Solar Bus is a demonstration and education project created by The Harmony Institute to promote awareness of issues relating to: biodiesel fuel, vegetable oil as fuel, solar energy, energy conservation and the environment. The proceeds of this event will go towards supporting earthquake recovery in Haiti. The event is free and open to the public.

The amplified sound will take place between 3pm and 5pm. They have already booked City Hall Park.

Staff contact for the event is Gary Beckwith.

It is on a day with no conflicting events.

Staff Recommendations:

Allow for Special Use Permit including a waiver for amplified sound.
