## AIRPORT UNIT

The Burlington Police Department has a unit located at the Burlington International Airport (BTV) on the second floor. The Director of Aviation, Brian Searles boasts that “As many airports around the country struggle with decreasing enplanements and increasing cost, BTV continues to thrive: in fact; we are one of the fastest growing airports in the country, facilitated by quality airlines and competitive fares.” We are expecting to see approximately 850,000 enplanements in 2008. Your safety and security is a vital part of the success of BTV. We work very closely with the Transportation Security Administration to ensure your traveling experience is a safe and enjoyable.
