

BTV Counts!

because every resident matters.

TAKE THE 2020 CENSUS

BTV Counts!

because every resident matters.

TAKE THE 2020 CENSUS

Why take the Census?

By counting everyone in your household, you will help your community receive the funding and services it deserves. Based on Census results, the federal government will distribute millions of dollars to finance Burlington's schools, hospitals, emergency services, public parks, affordable housing, supportive family services, and fund countless other valuable public resources.

THE CENSUS IS SAFE

The Census does **not** ask for citizenship status. Under the law your answers are confidential and cannot be released to any law enforcement or other government agencies.

For translated guides in 59 non-English languages, use your camera to scan this code!
