The City of Burlington Employees' Retirement System
REQUEST FOR PROPOSAL

Investment Advisory Services for
The City of Burlington Employees' Retirement System

The City of Burlington Employees' Retirement System Board is seeking proposals from qualified firms for investment advisory services to assist the Board in carrying out its fiduciary responsibilities. Response to this Request for Proposal (RFP) must be received no later than 4:00 p.m. (EST) on October 8, 2020.

This RFP does not obligate the Board to complete the project and the Burlington Employees' Retirement System Board reserves the right to cancel the solicitation if it is in the City's best interest.

I. INTRODUCTION

The City of Burlington Employees' Retirement System Board is responsible for the proper operation of the City of Burlington's Retirement Plan. In meeting this responsibility, the Board establishes objectives of the investment manager(s) of the Investment Fund, selects investment manager(s) of the Investment Fund and evaluates the performance of the investment manager(s) based on the established objectives. The Board monthly reviews and approves the contracts and/or fee schedule of its investment manager(s) and its investment custodian and approves the continuation of its business relationships with the investment manager(s) and its custodian.

The City of Burlington Employees' Retirement System currently has approximately \$195 million in assets.

The Board has established performance objectives for the funds under its control. In its efforts to meet or exceed these objectives, the Board utilizes the advice and recommendations of an investment advisor in the design, development and implementation of its investment program.

The City of Burlington Employees' Retirement System Board has requested Hooker & Holcombe Investment Advisors, Inc. (HHIA) to assist in preparing and distributing a formal RFP to evaluate available investment advisory services. HHIA will not be submitting an RFP for the position. The Board and HHIA will review responses and will recommend a candidate to the City of Burlington Employees' Retirement System Board for approval. The Board expects the process for evaluating

and selecting an advisor will be completed by November 27, 2020, with approvals and start date determined by December 3, 2020.

RFP Schedule

RFP released:	September 10, 2020
Deadline for receiving questions:	September 22, 2020
City's response to questions:	September 29, 2020
Proposals due to City:	October 8, 2020
Finalists selected by CAO and Mayor:	November 6, 2020
Finals presentations:	November 24, 2020
Vendor selected:	November 27, 2020
Approvals and start date determined:	December 3, 2020

The selected advisor will report to the Burlington Employees' Retirement System Board. In carrying out its responsibilities, the advisor will work closely with the Burlington Employees' Retirement System Board and other City of Burlington staff.

The primary responsibilities of the advisor selected through this RFP process shall include, but are not limited to the matters of investment objectives and asset allocation, management structure (active vs. passive, investment style mixes), performance measurement and evaluation of other needs.

II. PURPOSE

The Burlington Employees' Retirement System Board utilizes qualified advisors to provide independent, objective and creative input in the process of fulfilling its fiduciary responsibilities.

The advisor employed by the Board will be expected to deliver analysis, advice and recommendations with respect to:

- Investment policies and investment management structure, including asset allocation, allocation optimization and asset/liability modeling;
- General investment, research, public market and regulatory analysis;
- Initial and ongoing evaluation, due diligence, selection and monitoring of investment managers and/or funds;
- Portfolio performance evaluation, including monthly reviews and outlook reports;

- Meetings (as needed) with the Burlington Employees' Retirement System Board;
- On-site consultation and assistance;
- Co-fiduciary responsibility with the Burlington Employees' Retirement System Board for investment related processes;
- Special requests

Detailed requirements are set forth in Part V of this RFP.

III. MINIMUM ELIGIBILITY CRITERIA

The minimum criteria to be eligible to bid on this RFP are as followed:

- The investment advisory firm must have been in business for a minimum of five years. Allowance to this will be given to advisory teams that have been intact at another firm for a minimum of five years.
- The primary individual(s) assigned to the Burlington Employees' Retirement System, as lead advisor must have a minimum of ten years professional experience in the investment advisory field.
- The firm must be providing investment advisory services to at least four public pension plans presently, one of which is in excess of 75 million dollars in assets.
- The firm must be able to maintain an electronic data processing interface with the plan's custodian. The firm must document that it has data redundancy and catastrophic data recovery programs currently in place.

IV. BACKGROUND

The City of Burlington Employees' Retirement System provides Pension income and health benefits to eligible City of Burlington Employees'. Provisions of the City Charter govern the Plan. The Burlington Employees' Retirement System Board consists of eleven members: three elected by plan members, six appointed by City Council and the City Treasurer and Personnel Director who both serve as ex-officio members.

As of July 1, 2019, the Employees' Retirement Plan has:

Employees' Retirement System	Number of Members
Active Employees'	913
Terminated vested Employees'	375
Vested in employee contributions only	114
Retired, disabled and beneficiaries	766
Total Participants	2,168

The funded ratio as of July 1, 2019 was 72.80%.

The discount rate as of July 1, 2020 is 7.40%.

The inflation assumption is currently 2.60%.

Please refer to the enclosed Actuarial Valuation report for additional demographic details.

Investments and Managers

The Plan can invest primarily in domestic and international equities, global fixed income securities and alternative investments in the form of mutual funds, commingled investment trusts (CITs), ETFs, separate accounts, limited partnerships, private placements and MLPs. An investment advisor manages allocation and fund/manager selection of the Plan's assets. The Board will need to approve all investment classes, assets and structure.

The Plan's current asset allocation, as of July 1, 2020:

**Updated data is not available at this time, the March 30th ending market values was carried forward and adjusted for any cash flows that occurred during the quarter.*

In addition, the Burlington Employees' Retirement System Board utilizes a master Custodian and Trustee to provide a variety of custody and recordkeeping services. Hooker & Holcombe serves as the Plan's actuary.

V. SCOPE OF ADVISORY SERVICES

The Burlington Employees' Retirement System Board has established investment performance objectives. In its efforts to meet or exceed these objectives, the Burlington Employees' Retirement System Board has sought and will continue to seek the investment advisor's advice and recommendations for its investment program. The Board expects the advisor selected through this RFP to provide independent, objective, creative and proactive input to its decision making process. The advisor may be required to perform any or all of the following tasks:

A. Investment Policies and Asset Allocation Structure

1. Conduct an annual comprehensive review and analysis of the Plan's investment policies and recommend changes, if appropriate. The review should address investment objectives, asset allocation and management structure.
2. Assist in reviewing and updating a comprehensive written Investment Policy Statement for the Plan.
3. Assist in developing an appropriate investment management structure for the Plan and each asset class, which considers the role of active versus passive management, available management styles and the advisability of altering management structures under differing market conditions.
4. Provide assistance in analyzing the investment characteristics of available asset classes and the risk/return potentials of alternative asset mixes.
5. Coordinate with the Plan's actuary to incorporate asset/liability needs of the Plan, actuarial assumed rate of return and capital market assumptions.
6. Advise in the development of guidelines and procedures for rebalancing the asset mix.
7. Provide the Board with information about new developments in investment management techniques and portfolio management theory. Analyze how new techniques might improve the Burlington Employees' Retirement System Board's investment program and whether they should be, or should not be, implemented.

B. Investment Manager & Fund Selection

1. Conduct manager and fund searches. Assist in establishing appropriate qualitative and quantitative selection criteria for reviewing potential candidates. Assist in screening prospective managers and funds and recommending finalists, which meet stated requirements.
2. Analyze the Plan's needs for particular managers within each asset class.
3. Provide ongoing monitoring, due diligence and recommendations of managers and funds.

C. Performance Evaluation

1. Facilitate the selection of appropriate performance benchmarks for each asset class and each manager and fund.
2. Assist in developing composite indices for the Plan to measure total fund performance related to an established target asset mix. Analyze actual performance relative to the composite indices on an ongoing basis.
3. Provide timely monthly performance analysis of the Plan's assets to assist in determining whether or not investment policies are being followed and whether investment goals are being achieved.
4. Provide performance attribution for each manager and fund and analyze individual and aggregate risk positions of the managers/funds on a periodic basis.
5. Evaluate manager and fund performance and consistency relative to investment guidelines and established benchmarks. Conduct ongoing discussions with managers/funds on investment performance and organizational issues (such as changes in ownership, staff, new products, etc.). Advise on manager and fund retention/termination and assist in developing formal manager and fund review process. Help evaluate any underperformance of managers/funds. Conduct annual organizational and performance audits of each manager and fund. Periodically analyze risk positions of each money manager and fund.
6. Assist the Burlington Employees' Retirement System Board with negotiating appropriate management fees and with monitoring and evaluating transaction costs and efficiency. Evaluate and recommend appropriate earnings enhancement strategies (e.g., cash management and revenue recapture).

D. On-site Consultation and Assistance

1. Attend quarterly (and monthly as required) Burlington Employees' Retirement System Board meetings to review performance, assess the investment program and make recommendations.
2. Meet with the Burlington Employees' Retirement System Board as necessary to assure timely completion of tasks set forth above.
3. Assist staff and the Burlington Employees' Retirement System Board with fiduciary education and adoption of pension-related best practices. Keep the Burlington Employees' Retirement System Board abreast of new developments in investment management techniques by making available ongoing research, topical papers and memoranda on current issues of interest to institutional investors.

E. Special Requests

1. Prepare analysis of specific issues designated by the Burlington Employees' Retirement System Board. These may include topics such as socially responsible investments, shareholder-voting rights, tobacco-related investments or custodial relationships.

Also, email submissions to: ameizner@hhconsultants.com

Include a PDF and a Word document with the RFP answers and exhibits.

G. Proposal Withdrawal

Proposals are considered valid, and may not be withdrawn, cancelled or modified, for sixty (60) days after the opening date, to give the City sufficient time to review the proposals, investigate the proposers' qualifications, secure any required municipal approvals, and execute a binding contract with the successful proposer.

H. Evaluation and Selection

An evaluation committee selected by the City Council shall evaluate the proposals based upon the following factors:

- 1) Particular capability to perform the services required.
- 2) Experienced staff available to perform the services required.
- 3) Performance history.
- 4) Approach and philosophy used in providing services.
- 5) Fees or cost.
- 6) References.

The City reserves the right to interview one or more firms submitting proposals prior to making a final decision to award a contract. The city will award the contract to the responsible proposer whose proposal the City determines to be the most advantageous to the City based upon the evaluation process and the evaluation factors and the outcome of negotiations, as described above.

I. Award

The City reserves the right to correct, after proposer verification, any mistake in a proposal that is a clerical error, such as a price extension, decimal point error, etc. If any error exists in an extension of prices, the unit price shall prevail.

The City reserves the right to accept all or any part of a proposal, reject all proposals, and waive any informalities or non-material deficiencies in a proposal. The City also reserves the right, if applicable, to award the purchase of individual items under this RFP to any combination of separate proposals or proposers.

The City will accept the proposal that, all things considered, is determined to be in the best interest of the City. Although price will be an important factor, it will not be the only basis for award. Due consideration may also be given to a proposer's experience, references, service, ability to respond promptly to requests, past performance, and other criteria relevant to the City's interests, including compliance with the procedural requirements stated in this RFP.

The City will not award the proposal to any business that or person who is in arrears or in default to the City with regard to any tax, debt, contract, security or any other obligation.

J. Opening of Proposals

Proposals will not be publicly opened. All proposals and evaluations will be kept strictly confidential throughout the evaluation, negotiation and selection process. Only the members of the Burlington Employees' Retirement System Board and other procuring officials, Employees' and agents having a legitimate interest will be provided access to the proposals and evaluation results during this period.

K. Sales Tax

The City of Burlington is exempt from the payment of federal excise taxes and Connecticut sales tax and use taxes. Such taxes must not be included in prices.

L. Interest

The City of Burlington will not pay interest on unpaid or disputed invoices, whether due or overdue.

M. Contract Changes

The City of Burlington may, at any time, by a written order and without notice to the sureties, make changes within the general scope of this contract. If any such change causes an increase or decrease in the cost of, or the time required for the performance of any part of the work under this contract, whether changed or not changed by any such order, a mutually acceptable equitable adjustment shall be made in the contract price and the contract shall be modified in writing accordingly. Any claim by the City of Burlington for adjustment under this clause must be asserted within ten (10) business days from the date of receipt by the proposer of the notification of change.

N. Contract Termination

In the event that this contract is terminated for any valid reason, the City of Burlington reserves the right to award this contract to the second highest-ranking proposer based on the original evaluations.

O. Contractor Evaluation and Demand to Cure

The investment advisor's performance will be evaluated by the City of Burlington's Employees' Retirement System Board until completion or termination of the contract. The quality of the advisor's performance in a number of areas will be rated as "satisfactory," "needs improvement," "unsatisfactory" or "not applicable." When evaluations are rated "less than satisfactory," the advisor will be notified. These notifications shall identify deficient areas in contract performance

and afford the advisor the opportunity to correct/cure or present its position concerning items that were reported to be deficient.

Failure to cure deficiencies in performance relative to any of the standards or requirements set forth in this document will result in a "demand to cure" notification to the advisor from the City of Burlington. The third documented notification of a "demand to cure" within any 12-month period may be grounds to cancel this contract for cause.

H. Fees

1. Please outline your fee structure for this plan. Please indicate all services you propose to provide and their associated fees. Specifically, detail in terms of your retainer, manager searches, performance monitoring on a monthly basis and other functions.
2. Please indicate the number of years for which your organization would be willing to guarantee its fees.
3. Please list any anticipated miscellaneous expenses and disbursements for which your organization will charge or seek reimbursement and unit costs of such expenses (if applicable).
4. Disclose your portfolio management philosophy as it relates to negotiating/establishing fee arrangements with money managers. Disclose your review/evaluation process to determine reasonableness of each investment manager fee. Disclose your process for periodic review and recommendation of service fee reductions or consolidation.
5. What are the anticipated fund, limited partnerships, separate account, CITs, ETF, etc., fees and expenses?
6. What are the estimated fees and expenses charged by your Custodian/Trustee?
7. Do you intend to charge for special projects or ad hoc work? If so, how would these services be defined and billed? Would there be a discount from the standard fees or special projects?
8. If hired, will your firm receive any other form of compensation from working with this account that has not yet been revealed? If yes, what is the form of compensation?
9. Describe in detail any mutual fund revenue sharing (recapture), 12b-1 fees, finder's fees, directed brokerage commissions (separate accounts), collective trust rebates, and any other revenues or fee rebates. Full transparency and disclosure of expenses, fees, revenue sharing, etc. is an absolute and nonnegotiable requirement.
10. If your organization plans to bill for special projects on an hourly basis, please include a schedule showing the hourly rates of the professionals who would be assigned to the Trust's account. If selected, your organization will be expected to provide detailed back-up documentation reflecting the number of hours expended on a special project, billing rates, the subject matter of the services rendered, and the particular person(s) rendering those services.

*A confirmation of fees will be required.

I. Miscellaneous
