DOWNTOWN PARKING GARAGE REPAIR NOTICE

The City of Burlington is launching a multi-year capital project to renovate our downtown parking garages – to enhance the customer experience and extend the lifespan of the facilities. Your patronage is funding these repairs – thank you!

The garages will remain open during the renovations, however:

- Please be advised that sections of the garage will be closed off during the repair work, and “NO PARKING” signs will be posted. PLEASE ADHERE TO THE POSTED SIGNS.
- Traffic patterns will be maintained, however travel lanes will be shifted with traffic control
- Work at the entrances will be minimal. Signs will be posted at entrances to notify users of advanced work and periodic entrance closures as well as direction to alternate entrances.

COLLEGE STREET GARAGE REPAIRS – PHASE 1 (STARTING SEPTEMBER 14):

- Concrete repairs
- Drainage repairs
- Joint repairs
- Repairs to brick veneer
- Replace the storefront of the elevator on the 4th floor
- Replace of electrical conduit
- Wayfinding painting & signage

MARKETPLACE GARAGE REPAIRS – PHASE 1 (STARTING IN OCTOBER):

- Concrete repairs
- Drainage repairs
- Repairs to brick veneer
- New elevator cabs
- New ventilation in the elevator stair tower
- New roof membrane on elevator stair tower
- Refasten stair nosings/treads

This is the first phase of 3 scheduled phases of construction. For questions regarding your parking please contact DPW Customer Service 863-9094. For questions about the repairs please contact Laura Wheelock at LWheelock@burlingtonvt.gov.
