5:00- 5:30 pm	0	106	0
5:30 - 6:00 pm	0	106	0

* Number of available spaces are estimates and include both NB and SB availability

Observations:

1. high pedestrian and cyclist volume, particularly in the morning (7-9am) for school/work commute
2. many cyclists on sidewalks - mix of ped and bikes on sidewalks, crowded
3. parking lane used by cars for passing busses, wide lane of travel
4. all homes and businesses along this segment of road have private driveways and parking lots

5:30 - 6:00 pm	2	60	3.33	1 NB 1 SB

* Number of available spaces are estimates and include both NB and SB availability

Observations:

1. high volume of cyclists (many of which are school commuters)
2. bike lane abruptly ends along this segment - many cyclists choosing to ride on sidewalks in both directions
3. lack of lining designating a parking lane - wide lane of travel for vehicles
4. parking restrictions along the NB stretch for bus stops, condos, and 127 access limit number of available parking spaces anyway - seems useless
5. heavy, fast moving traffic
