

Join the 8th Annual Community Academy

Hosted via Zoom by the Burlington Police Department

Each Wednesday, January 13 through February 17, 2021, from 6:00 p.m. to 9 p.m.

The Burlington Police Department is pleased to offer its yearly Community Academy to adults (18 and over) who live and/or work in Burlington. Community Academy is an opportunity to learn about the laws, principles, and procedures that guide the daily activities of the Burlington Police Department.

Because of COVID-19, Community Academy will be a little different in 2021. We will meet via Zoom rather than in person, but Burlington police officers and personnel will still teach classes and you will still be able to learn about the role Burlington Police Department plays in the community.

As always, there will be plenty of opportunity for questions and discussion.
