

North Winooski Avenue Parking Management Plan: Introduction

As directed by City Council, the North Winooski Avenue Parking Management Plan (PMP) will identify practical strategies for balancing parking supply and demand north of Pearl Street, with the goal of meeting essential parking needs while freeing up space for dedicated bike lanes. The PMP's original schedule is delayed due to the pandemic, but work can now be initiated to establish the overall scope of work and develop the baseline data that is not impacted by the pandemic. Parking utilization will not be counted until the scope and schedule has been reviewed and approved by a joint City Councilor-Stakeholder Committee.

City Councilor-Stakeholder Committee

A joint City Councilor-Stakeholder Committee will support the PMP, managed by the Department of Public Works and Chittenden County Regional Planning Commission. Mayor Weinberger and Council President Tracy will appoint four stakeholders from the North Winooski Avenue area (Riverside Ave to Pearl St and the blocks immediately east and west). These community stakeholders will join the three Councilors of the Transportation, Energy, and Utilities Committee of City Council to 1) approve the scope of work, methodology, and public engagement plan for the development of a North Winooski Ave Parking Management Plan; 2) receive periodic updates on the plan from city and CCRPC staff; 3) review recommendations of the plan; and 4) approve the final Parking Management Plan after it is presented to the Ward 2/3 NPA.

Committee Meetings

This Committee will function as a public body and will follow open meeting law requirements. Meetings will be open to the public and will include a public forum. Committee members may not meet in person or via email to discuss the Parking Management Plan outside of established meetings. Meeting frequency, times, and duration will be defined by the Committee and will be guided by the project scope of work that the Committee will approve; this will include a minimum of three meetings of approximately 2 hours each and approximately 1-2 hours of time to review materials in advance of each meeting.

How to Apply

Applications are due November 27, 2020 and members will be appointed by December 4, 2020. Anyone with a direct relationship to North Winooski Avenue is encouraged to apply: residents, business owners, employees, etc.
