Please note: The public hearing deadline and submission deadline are the last date that an application can be received to be eligible for inclusion on the scheduled meeting, but inclusion is not guaranteed. If the application is deemed incomplete, it will not be scheduled for DRB meeting until the application is complete.

If the DRB Meeting already has too many items it may be closed earlier than the public hearing or COA application deadlines and any items received will be scheduled for the following meeting. The final items for the meeting agenda may still be amended after the application date by Planning and Zoning Staff.
