

planBTV South End Community Workshop

WED. FEB. 11

11:00 – 12:15 | OPEN SPACE Discussion

>> Come share ideas on open space: parks, parklets and beaches, and the connections between them.

5:00 – 6:30 | Works In Progress

>> See artist projects created through planBTV South End.

>> Gain context: see highlights from planBTV research on South End market conditions, land use, transportation, stormwater and brownfields.

6:30 – 9:00 | OPENING WORKSHOP: EXPLORING POSSIBILITIES

>>Explore national trends, the South End's unique characteristics, and possible directions for future growth and change.

>>Share your ideas at this interactive workshop.

THURS. FEB. 12

7:30 – 8:45 | ECONOMIC DEVELOPMENT Discussion

>>How will the South End evolve as an economic hub? What does that mean for South End businesses, big and small? Weigh in with your opinions and experience.

11:00 – 12:15 | ENVIRONMENTAL Discussion

>>Stormwater, green infrastructure, brownfields and other ecological conditions and strategies are the focus of this discussion.

12:30 – 1:45 | MOBILITY Discussion

>>Let's talk about walkability, bikability, Pine Street and the Champlain Parkway.

5:00 – 7:30 | Thursday Pin-Up

>>See progress. Drink hot chocolate. Eat candy hearts.

7:30 – 9:30 | Burlington Writers' Workshop Event

>>Teams of writers and photographers have created profiles of the South End as it is today, and as it could be in the future. Come view their work!

FRI. FEB. 13

7:30 – 9:30 | ARTS + INNOVATION Districts Breakfast

>> Join us for a lively presentation and discussion on sustaining artistic places over time. Breakfast provided.

11:00 – 1:00 | LAND USE Discussion

>> Let's talk land use: industrial, commercial, residential and more. What's the right mix for areas within the South End?

5:00 – 7:30 | Friday Pin-Up

>>See progress. Drink hot chocolate. Eat candy hearts. [CONFIRM]

SAT. FEB. 14

10:00 – 12:30 | CLOSING WORKSHOP: A DRAFT FRAMEWORK FOR THE FUTURE

>>Discuss draft BTV South End plan framework - a draft "blueprint" for the South End's future integrating ideas that have emerged from three days of community conversation.
