### **NARRATIVE:**

On April 7, 2015 at approximately 8:51 am, Burlington Police responded to the Taft School at 14 South Williams Street for a report that a parent with one of their children who had arrived driving a vehicle was reported to be visibly intoxicated. The caller advised that the driver was a parent of a student at the school and was operating a taxicab. The vehicle left the area prior to arrival of officers.

The vehicle was located a short time later with the help of the taxi dispatch service in the area of Lime Kiln Road in South Burlington. The operator was identified as Christopher Williams, 54, of Burlington. Investigation revealed that Williams was operating a taxi that was reported to be under contract, with the Milton School District, to transport school children and he reported that school children had been transported that morning. Williams was processed on suspicion of driving under the influence related to a section of the law that prohibits school vehicles from being operated at a blood alcohol content of more than .02 percent.

After consultation with the Chittenden County State's Attorney's Office Williams was issued a citation for Driving Under the Influence of Intoxicants and Cruelty to Children. Williams was released on the citation to appear in Chittenden Superior Court, Criminal Division on April 23, 2015.
