

7/16/15 UPDATE:

The Office of the Chief Medical Examiner has ruled both deaths as "Fentanyl Intoxication." Burlington Police Detectives are continuing to investigate this incident. The Burlington Police Department is offering a substantial cash reward for information leading to an arrest of the person or persons responsible for distribution of the lethal dosages of Fentanyl to the two victim's. Anyone with information is asked to call Detective Mellis at (802) 540-2297.
